Golf Classic

25th Anniversary
CREW
golf classic
August 2, 2010 Granite Bay Golf Club

The CREW Golf Classic raises money for CREW Sacramento and a local charity, which is selected and approved by the Golf Committee and Board of Directors. The recipient of this year's proceeds will be **Diane Dawson Foundation**.

This fund provides aid, assistance and care for children and families who have lost a loved one to cancer or other terminal illness. Currently, the foundation offers financial assistance, in the form of scholarships, to children who have lost a parent to cancer. In addition, the foundation provides aid to organizations committed to families in times of need. Established through the Sacramento Region Community Foundation, the Diane Dawson Foundation assists those in the greater Sacramento area. Through efforts of family and friends, Diane's love of life and community lives on.

This event is a great way to showcase your company by donating a vacation package, specialty item, golf items, gift baskets or something your company is known for. The event will be held at Granite Bay Golf Club on Monday, August 2, and is heavily attended by industry professionals.
